Relation to nominee:

Section 2: Statement in support of nomination and evaluation criteria.

I) Context of practice

1. Describe the environment in which the nominee has been working and the challenges the nominee has to overcome in general, and while working for mental health issues in particular?

II) Serving the underserved and improving access to healthcare during the pandemic

2. Which are some of the marginalised communities/groups the nominee has come face to face with while working in mental healthcare space? Please, briefly describe their situations.

3. Describe the strategies the nominee employs to bring mental healthcare to these groups, include them, or assist them in accessing healthcare.

4. Describe some of the key challenges the nominee faces/faced serving these underserved communities and how the nominee responded to them.

5. Has the nominee been able to improve their (marginalised communities) access to mental healthcare? How?

6. How has society benefited from the work done in this area by the nominee? Has s/he involved them (marginalised communities) in the work? If yes, how? If not, what have been the hurdles?

III) Efforts to promote ethical practice

7. Describe the efforts of the nominee to maintain high ethical standards in mental healthcare practice and influence change in mental healthcare.

8. What strategies the nominee has been recommending to promote ethical practice at the level of the individual practitioner and the institution/organisation?

9. Please tell us the strategy used by the nominee to involve physicians, medical societies, and the government.

IV) Learnings and moving forward

10. What do you think are the lessons learned by the nominee in their work experience in the space of mental healthcare?

11. If there was anything that nominee could have done differently since the inception of their work, what would that be? Please explain.

12. Please describe to us the future plans of the nominee you may know regarding furthering the cause of bioethics in the space of mental healthcare.

--

V) Message to others

13. Tell us, in three bullet points, in what ways the nominee stands apart as an ethical practitioner.
